Subject: reply from Google

Lenny,

Response from Google below. I'm starting to formulate a short teaser without getting too heavy. Any thoughts you have regarding scope and focus of reply are welcome.

hi andy,

i work at google and received your email you sent to sergey and larry on oct. 5. how do you envision working with google? please let me know via email. thanks much for your inquiry. your technology looks very cool!

cheers, david
